PROFESSIONAL SUMMARY

Results-driven Web Developer with hands-on experience in full-stack development (HTML, CSS, JavaScript, PHP, MySQL). Successfully delivered real-world web applications for a government organization (NIC, Baloda Bazar) and completed an industry internship at Place Mantra. Adept at building responsive, user-friendly interfaces and robust back-end systems. Holds PGDCA (80.54%, CGPA 8.60) and M.Sc. IT (CGPA 7.64) with strong foundations in programming, data structures, and database design.

TECHNICAL SKILLS

Languages: C++, Python, PHP, JavaScript, C# / .NET Framework
Web Technologies: HTML5, CSS3, Bootstrap 5, JavaScript (ES6+)
Database & Backend: MySQL, SQL, RDBMS, PHP (server-side scripting)
Tools & Concepts: Data Structures & Algorithms, REST APIs, Git, VS Code, Netlify

WORK EXPERIENCE

Web Development Intern | Place Mantra

June 2025 – August 2025

- Designed and deployed two live web projects — an interactive calculator and a real-time form validation module — using HTML, CSS, and JavaScript; hosted on Netlify.
- Contributed to client-facing web development tasks, participated in code reviews, and followed industry best practices for clean, maintainable code.
- Received formal internship completion certificate upon successful project delivery.

Project Trainee (4th Sem) | National Informatics Centre (NIC), Baloda Bazar

Jan 2025 – Present

- Building a full-stack Task Management System for a government office using HTML, CSS, JavaScript, Bootstrap, PHP, and MySQL.
- Implementing core features: secure user authentication, role-based task assignment, status tracking dashboard, and admin control panel.
- Coordinating directly with NIC staff to gather requirements and deliver a functional, government-ready web application.

PROJECTS

Task Management System — HTML · CSS · JavaScript · Bootstrap · PHP · MySQL

- Enterprise-grade task management app for NIC government office; supports multi-user login, task CRUD, and progress tracking.

Smart Study Assistant — HTML · CSS · JavaScript · Python · REST API

- AI-powered study companion (3rd sem project) that fetches relevant content via external API and helps students organize study material efficiently.

Interactive Calculator — HTML · CSS · JavaScript <https://cool-calculator-kv1807.netlify.app>

- Fully responsive calculator with keyboard support and smooth UI animations; live on Netlify.

Form Validation Module — HTML · CSS · JavaScript <https://form-validation-kv1807.netlify.app>

- Robust client-side form validation using regex patterns, covering email, phone, and password fields; live on Netlify.

EDUCATION

PGDCA	Dr. C.V. Raman University, Bilaspur, C.G.	80.54% CGPA 8.60
M.Sc. Information Technology	Pt. Ravishankar Shukla University, Raipur, C.G.	69.13% CGPA 7.64
B.Sc. Mathematics	DBDK College, Baloda Bazar, C.G.	61.39%
12th (Higher Secondary)	Saraswati Shishu Mandir, Palari, C.G.	46.60%
10th (Secondary)	Saraswati Shishu Mandir, Palari, C.G.	77.16%

CERTIFICATIONS & ACHIEVEMENTS

- Web Development Internship Certificate — Place Mantra (2025)
- Python for Data Science — NPTEL, Government of India (Score: 61%)
- Developed Task Management System for a live government department (NIC) — demonstrating real-world impact.
